

Greetings!

Just wanted to let you know how much I enjoyed speaking at your Perspectives class! I love lecture 1, 2 and 4 and speaking about His glory and His heart for all nations.

There are a couple of things I want you to know.

1. **I've put you on my e-mail newsletter list.** Thanks for signing up. I send out an e-mail each time I speak asking for prayer and then follow it up with a second e-mailing telling you how it went.
2. **The lectures I gave you are already on YouTube** They were filmed at a Perspectives class in Birmingham, AL. In fact, Lectures 1, 2 and 4 that I give for Perspectives are on YouTube. They can be found at:

Projects You Can Join!

Besides being a teaching ministry, UnveilingGLORY has many other projects we're involved in. Please check them out!

Surgery in Kenya

If you remember last night, I talked about a Maasai man needing surgery from Kenya. "King David" is the man helping him. Here is a picture of him with David (who has the mask).

The Go Fund Me campaign is below. Just click on it if the Lord leads you to help.

Delivering Dignity

Delivering Dignity is a project to help young girls in Africa survive their monthly cycle. There are many who simply "dig a hole" and sit there for five days until it is over. They miss one week of school and get behind. Others use cow dung

to soak up their cycle and get infected. Many times all of these leads them to prostitution since there is no other way to make a living.

Delivering Dignity gets monthly donors to support older women (usually pastor's wives) and has them sew reusable sanitary pads and then gives them out freely. To learn more and help out, [click here](#).

Men Against FGM (Female Circumcision)

Female circumcision is rampant in the rural areas of Kenya. UnveilinGLORY is teaming up with "MenENDFGM" (#MenENDFGM) and taking this to the rural areas where we work.

To find out more, contact us. We do have teams that go over the help deliver reusable feminine pads to girls as well as educate both the men and the women against the dangers of FGM. The first event we will be hosting is **next weekend**.

Discipling Maasai Women

The Maasai are a tribal group in southern Kenya that stretches all the way through Tanzania.

Debby Sjogren held the first ever women's conference in one of these villages. Over 200 women showed up.

They were taught

- How to have quiet times.
- How to study God's word.
- How to disciple others.
- How to parent (and

much more.)

At that conference, solar powered audio Bibles were handed out. Debby returned 8 months later and found that lives had been changed significantly. As a result, she heard the Lord say, "Train them once a year." So teams go every year to train these women and hand out dignity pads. Interested in coming? [Click Here.](#)
